TBCI AWARDED CONTRACT

Largo, Fla. – August 15, 2005 – Theodore Barber & Company, Inc. (TBCI) has been selected to provide its Advisory Services to Harrington Raceway on future expansion plans which include several new food and beverage outlets. TBCI was brought to the project team by Ewing Cole, the nation’s leading designer of sports complexes. TBCI serves a wide range of clients and establishments in the foodservice and hospitality industry with its well-rounded portfolio of expertise including, but not limited to Foodservice Design Planning, Management Advisory, Concept and Menu Development, Branding Strategies, Construction Services, Procurement Services, Owner Representation, Interior Design and Financial Planning.

Harrington Raceway is located on the grounds of the Delaware State Fair in Harrington, Delaware.

A leading Florida-based consultation firm known for its innovative design and quality, Theodore Barber & Company, Inc. is a “total solutions provider” offering services to the hospitality and foodservice industry throughout the United States, the Caribbean and Western Europe. TBCI’s award-winning designs have been recognized by the Foodservice Consultants Society International (FCSI), the foodservice and hospitality industry’s governing body.

For additional information contact Angela Barber at 727-585-5160.
